| Description | <p>We can order original (German brand) ink- and water rollers for almost all Heidelberg offset machinery. We will need to know the exact:</p> <ul style="list-style-type: none"> – brand/type and year of the Heidelberg offset machinery – parts numbers of the rollers from the Heidelberg partsbook – description of each roller (ink-, water-, DDS-, alcolour- etc.) – amount of rollers (sets) in case of multi-colour offset machinery – nrs. of gears, bearings etc. when needed. <p>Without above mentioned information, we will not calculate or offer the rollers.</p> <p>When the rollers are not in stock, the production and/or delivery time will be around 4-6 weeks. We need a 50% downpayment with the order and 50% balance payment before transport. Transport, taxes and other costs for transport is to be arranged by the buyer.</p> <p>All rollers come complete with spindles and individual safety packing.</p> |
